CALL TO ORDER

P. Porcino, Committee Chair, called the meeting to order in the offices of the ADAMHS Board Montgomery County.

PRELIMINARY UPDATE PERFORMANCE REVIEW

J. Hemphill CPA from Hemphill & Associates provided a brief overview of the preliminary findings conducted on the seven (7) providers that receive \$1M+ in funding from ADAMHS. Mr. Hemphill identified providers by number and not by name, as he has not yet had exit conferences and did not want to disclose provider specific details until that occurs. The review included review of the procedures and related controls in the following areas:

- A) Cash Management
- B) Cash Receipts
- C) Cash Disbursements
- D) Fixed Asset management
- E) Grants Management/Contract Compliance
- F) Unit of Service Documentation
- G) Purchasing/Procurement

An eighth provider review was approved at the May 15 Executive Committee meeting and is scheduled to begin the week of June 10th.

The next step in the process is to start meeting with Provider Agency Leadership and Board Members beginning June 10-June 20 to provide them with information and recommendations. Recommendations to providers will be prioritized and this information will be shared with ADAMHS Montgomery County board members at the July board meeting.
