**PURPOSE**

With the implementation of MACSIS, it is necessary to establish guidelines, procedures and policies for pricing services for Medicaid and Non-Medicaid members and adjudication, expensing, and reimbursement of vendor's by the Board.

**POLICY**

It shall be the policy of the Board to use the service rates developed during the budgeting process for pricing vendors claims. The Board will use the same service rates for pricing claims from vendors for Medicaid and Non-Medicaid members

**PROCEDURES**

1. In instances where a Medicaid eligible service budgeted unit rate exceeds the Medicaid ceiling rate, the Board will use the Medicaid ceiling rate to price, adjudicate and reimburse vendors claims for Medicaid and Non-Medicaid members.
2. For those Medicaid services with budgeted unit rates below the Medicaid ceiling rate, the Board will use the budgeted rate for pricing, adjudication and reimbursement of vendors claims for Medicaid and Non-Medicaid members.
3. For the Non-Medicaid services the budgeted unit rate shall be used by the Board for pricing, adjudication, and reimbursement of vendors claims.
